Appointment as Assistant Minister for Multicultural Affairs

I am honoured to have been appointed by Prime Minister Malcolm Turnbull to serve as the Assistant Minister for Multicultural Affairs.

I am committed to working with Australians from all walks of life and cultural backgrounds to ensure that our wonderful multicultural society continues to be the most successful in the world.

Senator the Hon Concetta Fierravanti-Wells has achieved outstanding results in this portfolio during her time as Assistant Minister and I look forward to continuing to build on this work.
