TURNBULL GOVERNMENT ANNOUNCES FUNDING FOR CAMPBELL PARK UPGRADE

Member for Reid, Craig Laundy MP, was pleased to announce today that a re-elected Turnbull Government will contribute \$1 million towards ground improvements at Campbell Park, Chiswick.

Campbell Park is the home ground for Abbotsford Juniors Football Club (AJFC).

Campbell Park has always been the Club's home ground and this funding announcement will allow works to commence on the \$1.35 million revamp.

"It is well understood that the existing amenities block leaks water, has a cracked roof, the foundations have sunk, showers have no hot water and storage is inadequate," Craig Laundy said.

"This funding commitment will provide the Abbotsford Junior players, together with the many others who use the park, some fantastic community facilities.

"I am thrilled to be able to again demonstrate how the Turnbull Liberal Team is actively supporting our local communities and investing in infrastructure to support our growing community."

AJFC is a voluntary community sporting organisation in Sydney's Inner West, servicing the suburbs of Abbotsford, Chiswick, Drummoyne, Five Dock, Russell Lea and Wareemba.
